Profile

Computer Science undergraduate at KIIT University with strong interests in Artificial Intelligence, Machine Learning, Computer Vision, and Full-Stack Development. Experienced in AI research, Visual Place Recognition, Docker, AWS, Java, Python, and modern web technologies.

Skills

Languages: Java, Python, C, SQL

AI/ML: PyTorch, OpenCV, Computer Vision, Transformers

Web: HTML, CSS, JavaScript, React, Next.js, Node.js, Express.js

Cloud/Tools: AWS, Docker, Git, GitHub, Linux, VS Code

Experience

Research Intern

Apr 2026 – Jun 2026

Defence Research & Development Laboratory (DRDL), DRDO

Hyderabad

- Worked on Visual Place Recognition for Cross-View Geo-Localization using the TransGeo architecture.
- Trained and evaluated TransGeo on the CVUSA dataset and analyzed Recall@K metrics.
- Implemented and compared MixVPR++ with TransGeo for cross-view localization.
- Containerized the complete training and inference pipeline using Docker for portable deployment.

AWS Cloud Trainee

Dec 2025 – Apr 2026

AWS Academy Cloud Foundations

On-site

- Completed hands-on training on AWS cloud services including EC2, IAM, S3, VPC, RDS, CloudWatch, Elastic Load Balancing, and Auto Scaling.
- Designed and deployed cloud infrastructure while applying AWS Well-Architected Framework best practices.
- Configured networking, storage, databases, monitoring, and scalable application deployment using AWS services.

Web Development Lead

May 2026 – Present

Cyber Peace Corps, KIIT

Bhubaneswar

- Leading the Web Development team and managing technical development of society projects and events.

Projects

Visual Place Recognition for Cross-View Geo-Localization

Implemented and evaluated TransGeo and MixVPR++ on CVUSA dataset. Compared Recall@K metrics and containerized the project using Docker.

Smart Face Attendance System

Built a face recognition attendance system using Python, OpenCV and machine learning.

Spotify Clone Website

Developed a responsive Spotify-inspired music player using HTML, CSS and JavaScript.

Cyber Peace Corps Website

Developing the official website using React and modern web technologies.

Education

Kalinga Institute of Industrial Technology (KIIT)

Bachelor of Technology (B.Tech) in Computer Science and Engineering

Bhubaneswar, Odisha

2024 – 2028

- **CGPA: 9.91/10.00**
- **Latest SGPA: 9.96/10.00**

Kendriya Vidyalaya No. 4

Senior Secondary (CBSE) – Class XII (PCM)

Bhubaneswar, Odisha

2024

- **Percentage: 89.4%**

Kendriya Vidyalaya No. 4

Secondary (CBSE) – Class X

Bhubaneswar, Odisha

2022

- **Percentage: 89.6%**

Achievements

- **Ranked 4th among 2,689 students** in the Computer Science & Engineering program at KIIT University (3rd Semester).
